

The Masiello Group's Commercial Associates

A Complete Portfolio of Commercial Real Estate Services

The Masiello Group is the largest full-service real estate company in Northern New England. This gives us the reach and the diversity to help our clients achieve their desired results.

The Masiello Group's Commercial Associates offer a wide range of services to enhance the value of real estate sales, leasing & investment and development opportunities including:

- Commercial Brokerage Services
- Seller / Landlord Representation
- Buyer / Tenant Representation
- Full Corporate Services
- Investment / Value Analysis
- Relocation Services
- Hospitality Sales / Services
- Business Sales & Valuations
- Commercial Development
- Commercial Consulting Services

Our commercial brokers have in-depth experience in market research, feasibility studies, site analysis, approvals, zoning changes and the development of residential, commercial, retail and industrial real estate.

Masiello personnel have evaluated, designed and developed properties ranging in size and type from residential subdivisions to retail and office facilities.

Masiello can manage the total development cycle and/or provide the expertise and experience to deal with any facet of it.

Through previous activities, affiliations and industry contacts, Masiello has access to extensive resources in soils and environmental analysis, engineering, planning, estimating, design, marketing and project management to suit client requirements.

Masiello's capabilities are well suited to identifying and coordinating the wide range of tasks required to provide the most effective real estate expertise available.

Thank you for choosing us!
